*Two-time winner demonstrates consistency in positive culture*

**Cincinnati (OH)** – For the second year, *Ohio Business Magazine* has selected The Urology Group as one of the Best Workplaces in Ohio.

The 2021 Best Workplaces in Ohio list appears in the [Summer 2021 issue](#). Winners were chosen by a committee based upon information the companies provided about their employee engagement programs and benefit structures, among other criteria.

“Attracting the finest physicians and staff is what allows us to provide the highest quality, most advanced urologic care to our patients,” says Dr. Gary Kirsh, president of The Urology Group. “Our people go above and beyond for our patients every day. Therefore, it is important to us that we recognize and reward our employees with a workplace that is one of the best.”

The Urology Group employs 38 physicians and nearly 250 staff members at 12 office locations throughout Greater Cincinnati, Northern Kentucky, and Southeastern Indiana.
